Advance-Nilfisk Parts - Think about how long and tedious it would actually be to clean-up right after a party, with no assistance from equipment. Not too long ago, the dirt from carpets and upholstery had to be beat out of them by hand; brooms, brushes and cleaning cloths were the leading cleaning products back then.

P.A. Fisker, the founder of Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Founding the business in 1906, he began to make motors to be able to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the start was to have a global business advertising products worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which could be operated by a single person for the reason that it just weighed 17.5 kilos! This creation came in a time where other cleaning equipment were huge and needed at least 4 operators, thus, the Nilfisk C1 transformed everything and evolved the way we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment offer an excellent solution to an ongoing dilemma; stuff get dirty and must be cleaned regularly, without too much effort.

Gradually, the company Nilfisk-Advance expanded throughout the years. In the early nineteen eighties the company expanded fast when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the industry, aspiring to be an active international player in making professional cleaning machines. Nilfisk-Advance is now located in all parts of the world by gradually obtaining many small businesses to be able to expand their product range and presence in new markets. They are really proud to present a variety of cleaning solutions to suit every need.
