

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than sixty years combined experience with effectively developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design ideas as proven in their product development. They like providing products that energize both their partners and their dealers and provide production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements together with their understanding of cleaning applications, together with owners' strong desire to dramatically lower expense through productivity gains.

The workers at TREK and their dealer-partners are strongly committed to having both technical support and parts accessible when it is needed. Their high service commitment is among the core values in their customer service. Keeping their customers' cleaning machines running and ready everyday is top priority. The company's top of the line technology delivers dependable equipment that ultimately reduces your cleaning cost. The product, the price and the service all work together to make them the leader in the industry.
