

American Lincoln Part

American Lincoln Parts - Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the industry they are recognized within the industry as providing durable and strong machines that suits the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln could supply components, warranty service and machines for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of various facility supervisors where results and efficiency matter. Lately, this particular floor scrubber model has been used by the architects in different construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's utmost performance level and excellent quality for polishing concrete.
