

Fork Mounted Sweeper

Fork Mounted Sweeper - This accessory makes industrial sweeping tasks much easier to accomplish. The versatile lift truck mounted broom is intended for use with either wet or dry material clean ups. It could push snow and squeegee water easily. This attachment is frequently used in order to clean debris from parking lots, warehouses, construction sites, docks and virtually anywhere it is considered necessary. The lift truck sweeper is a low maintenance accessory which utilizes quick-tite fork products to easily attach to the lift truck.
