

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement since 1959. Whether the work involves positioning heavy steel, landing loads on scaffolding or transferring loads, using a Lull telehandler will help make the work go faster and easier. These units are complete together with the patented Stabil-Trak stability system so as to ensure operator confidence.

The horizontal placement system by Lull is able to supply 80 inches of boom travel for precision placement functionality. There are also numerous optional Lull attachments for their telehandlers to help complete whatever work.
